

# Playground Schedules For The Week

Summer activities will continue in full force at the parks and playgrounds throughout the city of Torrance this week, programs geared to the theme of "Hobo Daze."

This presents an opportunity for youngsters to revert to the characters they would most like to represent. The weekly activities will be full of costume contests, hobo cook-outs and parades and many other interesting events. Playgrounds will be open from 10 a.m. to 5 p.m.

## Approval of Airport Plan Under Study

City councilmen have delayed approval of reassignment of the lease for the triangle parcel of Airport property until those involved put in writing what the land will be used

Originally owned by Store Properties Inc., a lease on the 35 acre parcel was reassigned to Jefferson Inc., to develop a commercial shopping center.

Before present lessors can obtain adequate financing for the project, Torrance City Council must sanction assignment of the lease.

Torrance City Attorney E. Remelmeier told councilmen, that before giving its approval, the City Council should know four things which include:

Details as to what use the involved land would be put; number and type of buildings planned; for determination of rental fee; presentation of development plans for councilmanic sanction; and submission of project starting and completion dates.

A Los Angeles attorney who represented Jefferson Inc., told councilmen he thought most of these items could be worked out soon.

The attorney continued to Jefferson Inc. intended to develop the land as a shopping center, and initiation of construction work depends only on how soon title to the land can be cleared.
